

# Hundreds of millions of light of emotion are emitted from the door given to mankind, which is called "creation"!!

In times when thoughts of nations and individuals interlace, awareness to arrogance and egos of each and every person is necessary. The best practice for mankind would be the realization of awareness and message to each and every person from the world of art by people with disabilities! The power of art is needed in an age when thoughts of nations and individuals interlace!!

The world of TOYOHASHI BRUT  
Messages of life expressed by each and every one.
