

From Aichi toward all over Japan, we are looking for "the Challenged Music Contest" music works and performers with mental diseases.
 In the 14th, we will give awards by categories of lyrics, compositions, performances and comprehensively.
 The contest will be taken place in TOYOHASHI City Culture Hall on the 10th February 2024.
 Overcome (/surmount/get over) the times and challenge new creations!

The Challenged festival
 of music with mental diseases

TOYOHASHI Music Festival

The period are about to change. Toward people in Asia countries not only Japan, we'll be bridges make the future between neighbors.
 By living together not just battling, our individual sensibility and expressions will create a hereafter of the coexistence society.
 We want to send many massages to the world.
